

The students of the Department of Accounting and Taxation of our Vocational School participated in the "Digital Trends and Women in the Accounting Profession" panel held on 8 March International Women's Day in cooperation with Tokat Gaziosmanpaşa University 15 July Congress and Culture Centre National Will Hall in cooperation with the Women and Family Studies Application and Research Centre of our University and Tokat Chamber of Certified Public Accountants.

In the panel moderated by Erol DEMİREL, President of the Istanbul Chamber of Certified Public Accountants, Prof. Dr. Mihriban COŞKUN ARSLAN, faculty member of TOGÜ İİBF Business Administration Department, Selçuk GÜLTEN from Ankara Söz SM A.Ş. and Eray YİĞİTOĞLU, Certified Public Accountant, took part as panellists. In the panel, information on the future of the accounting profession and artificial intelligence was conveyed. In addition, the subject of "Women in the Accounting Profession" was also discussed. The "Digital Trends and Women in the Accounting Profession" panel ended with the photos taken by our students with the panellists. We would like to thank everyone who contributed to the event, especially the TOGU Women and Family Studies Application and Research Centre and Tokat CPA Office.
